

### 56 Whitmore Street Kihikihi NZ

3  1  1 

This property is situated south of Te Awamutu, a short drive from the main shopping centre and events centre. The home is nicely elevated above the road with good access to the large rear flat section. There is a good primary school within walking distance and a bus service to other schools in the area from there. This is a good entry level home in very tidy condition.
