A delightfully spacious interior, this family home is also positioned on large 1143m section. The recently redecorated interior is highlighted by timber floors contrasting the neutral dcor- new carpet, wallpaper which work to create a light and airy home.

A spacious kitchen floor plan includes ample cupboard space and oversees the dining area, while the separate, sunny lounge is perfect for family living. Each of the 3 bedrooms are generous in size and there could be options for the extra room adjacent to the Master bedroom; your nursery, office or install an ensuite. The backyard is a level, grassed area with established fruit trees and privacy that make it ideal for kids, pets and entertaining, this home is meant for a family. The double garage and plenty of off-street parking make this an ideal haven for tinkering
