

4 Ballance Street Kihikihi NZ

2  1  1 

This 1960's brick home is nicely elevated on a 827m site in Kihikihi. The home was redecorated 18 months ago, including new carpet. The living area opens out from French doors to a north facing deck and yard. This tidy 2 bedroom home is only a short walk away from local shops. An open fire in lounge heats the home plus the bonus of ceiling and wall insulation.
