

71 Fraser Street Te Awamutu NZ

4  1  3 

This much loved bungalow may be showing a few "laughter lines" but is in a prime location. There are four bedrooms, open plan living, a sunny private deck and excellent garaging, workshop and storage. The Vendors are sad to be leaving their family home after 30 years, but have already finalised their plans to move on.

What an opportunity to purchase in a top location and "make this your own".
