3 1 127

Only minutes from Te Awamutu Primary School and an easy walk to the town centre.  
If brick and tile appeals then a viewing is recommended.  
Three double bedrooms, modern bathroom with a shower, bath and separate toilet.  
Large basement garaging with one automatic door.  
The rear section is terraced, the owner has previously had two dogs running on the back section.  
The home is heated by a heat pump and two gas heaters and the under floor area has been insulated.  
A good solid family home realistically priced to sell as the owner has moved overseas.  
Don't hesitate here, it won't last.
