Here's your opportunity to purchase this family home. A truly unique find.

Offering four bedrooms, two upstairs with a bathroom. Two downstairs including the main bedroom, close to the main bathroom, tiled and new including heating in the floor, a treat for those winter mornings.

The kitchen and dining open to covered decking and the living area also has access to covered decking.

The spacious garaging is detached with good storage and has been built to complement the house.

The rear yard is a good size and offers plenty of space for the children's activities.
