The vendors are off to Oz and demand a sale.

With a sense of privacy, this quality modern home showcases free-flowing living areas and sleeping quarters, to offer a relaxed family lifestyle. Found at the heart of a quiet cul-de-sac, the home opens into a lovely interior, exhibiting contemporary design to benefit the whole family's needs. If family time is limited then this could be the one as there's nothing to do here, just move in.

Why not take advantage of all this family friendly home has to offer the easy indoor/outdoor flow giving easy access to the patio area where you can barbeque all summer long.

Double garage with internal access keeps your vehicles off the road and has remote opening.

Relax with the family in the lounge and take in the great
