

51 Totara Street Te Awamutu NZ

3  1  1 

For many, location is the top priority when purchasing real estate. The location of this 1940's Bungalow speaks for itself. So very close to St Patricks School, Te Awamutu Primary and Te Awamutu College. "Town" is basically just around the corner - minutes away. A much loved family home comprising three double bedrooms, a separate dining room / lounge area, modernised bathroom (two toilets) and good heating.

There's even a sneak view through to the Maungatautari mountains. Viewing is paramount - this one simply will not last. "Position" yourself here!
