

191 North Street Te Awamutu NZ

2  1  2 

You cannot help but fall in love with this beautifully restored and well presented property. Admire the polished wooden floors, complimented by the beautiful fire place surround. A private, paved outdoor living area has been newly completed by its landscaper owner. This home is within walking distance to town, and would suit those either starting out or slowing down. Very cute and very affordable.

Type : House
Building Size : 72 sqm
