Vendors need quick action on this extremely well presented and maintained family home. Very generous and spacious living areas and delightful 1361sqm. Well planted section. The home is on an elevated site and looks over the Te Awamutu township to the Eastern ranges. There's even a sneak preview of Mt Ruapehu on clear days. It's got that special feel. Must be sold as owners have bought elsewhere. View and offer! All serious offers considered. This will be great buying.
