A spacious family bungalow on a level and private 1012m parcel of land in the "heart" of town. Built in the 1930s the home retains much of its original charm. Formal dining and living areas retain the high ceilings while the more modernized kitchen adjoins a sunny informal family area which has in the past been used a fourth bedroom. Adjoining the double garage is a work shop which could easily be converted to a sleepout. Fabulous new bathroom - shower and 2 toilets. "In town - motivated sellers) CV \$180,000
