

### 94 Pakura Street Te Awamutu NZ

3  1  2 

Built in approx 1954 with extensions done around 1990. Very nice kitchen with large pantry area and dishwasher. Spacious lounge at the front of the home adds extra living space and the three bedrooms are all double. There is a teenager's pad/sleepout on site and a very nice deck which you can relax on in the afternoon sun and watch the sun set on Mt Pirongia. This type of home is very sought after on today's market SO DON'T DELAY.
