A privileged lifestyle on 5000m in an excellent location with a quality 272m four bedroom block and plaster family home. This very impressive property is a simple statement of style with those little "extras". Seven thermostats control the under floor heating plus there is a gas fire (cylinder) in the formal lounge. Four sets of bifold doors open to the north from living areas and the main bedroom. Excellent storage, extensive paving, professionally landscaped section an elegant water feature and outdoor lighting. A generously proportioned kitchen with upmarket chattels and open plan dining/family area is a real sun catcher and offers extensive views to the Eastern ranges. Expect to be impressed.
