

637 Bank Street Te Awamutu NZ

3  1  3 

...600 metres (approx.) to the town centre. So much potential - ripe for development - land bank or just a comfortable family home on a large site. This is certainly a great investment.

Far more than you can see from the street, the home is quite spacious - has obviously been well loved and many of the original timber doors and paneled ceilings are in excellent condition.

Bathed in early morning sun on the eastern side and those views to the mountain and sunsets are a lift to your senses.

The current owners are highly motivated to sell. A first offering that will sell fast, don't delay!!

Auction 1:00pm Tuesday 19th December at LJ Hooker
