3  1  2 

When you choose Young Street, you place yourself in the heart of the character belt of this established community. This peaceful, tree lined residential street positions you a short walk to all amenities yet is a quiet oasis away from the hustle and bustle of everyday life.

Your 1920's Bungalow has been thoughtfully renovated and reconfigured with a particular eye for quality and detail. Positioned on a well landscaped flat section, the private rear entertaining area is north facing for the sun and very sheltered. Three generous bedrooms, excellent storage, dual access bathroom, and contemporary open plan living make this a most attractive property.

The position of the large garage at the rear of the property has also been thoughtfully considered to allow vehicle access to the back yard and the extensive concrete areas
