

122A Goodfellow Street Te Awamutu NZ

3 1 2

Peace and quiet situated at the end of a driveway - Council land as a neighbour used for grazing. Schools catering to all ages are within walking distance as is the main Town Centre. It's tucked away yet so handy to town.

A well presented three bedroom Sunshine home that was transported to site in approximately 2009. Double glazed and with a covered outdoor area accessible from the living area.

On it's own freehold title - the owner here is definitely showing motivation to sell with the listed price. So affordable for so many!
