... awaits you in this ultra low maintenance three bedroom brick home. Built by our vendors in 2010 on a flat site, yet delivering restful mountain views from its elevated position, this attractive home has been thoughtfully designed for security, easy living and total convenience.

Featuring conversation friendly open plan living and kitchen areas, with easy access to a sheltered outdoor dining patio for those warm summer evenings. Two bathrooms allow for guests to enjoy their own space, cosy gas central heating and endless hot water cater to every comfort level. The home also has a security door, window stays and a full security system fitted for peace of mind. The grounds are attractively landscaped for ease of maintenance and the generously sized garden shed is great for those seldom used items or garden equipment.
