

290 Douglas Avenue Te Awamutu NZ

4 1 2

Laze around the pool, or enjoy a chilled wine on the patio while the sun sets... the choice is yours with this well positioned and centrally located property. This beautifully presented family home was thoughtfully designed by our vendors in 1968 with natural timbers and high ceilings, giving a warmth seldom found in new homes today. Your family will enjoy the four bedrooms, giving room for all the children, you will treasure the two living areas for those quiet reflective moments and everybody will love the short walk to local schools and shops.

This wonderful property is offered to the market for the very first time by our relocating vendors who are sad to leave a home that has created so many memories.
