

1241 Alexandra Street Te Awamutu NZ

3  1  1 

Elevated and light filled, this three-bedroom classic brick home with office or utility room awaits another family to call it home.

The layout lends itself towards daily family living with good sized bedrooms zoned off from the living area. Towards the front of the house the lounge, dining and kitchen enjoy the comfort and warmth of a log fire, the French doors lead out to the balcony where you can relax in the sunshine.

This property is a great space for a growing family or for those looking for a place to put their own stamp on. The house is situated within walking distance of the centre of town and the surrounding schools. Properties like this don't last long on the market, so give me a call now to arrange a viewing.

Type : House
Land Size : 922 sqm
