

618 Rewi Street Te Awamutu NZ

2 1 1

What a find, take your first step on the property ladder with this comfortable two bedroom home and exceptional shed, that you'll absolutely love.

The home is snug, warm and the flexible layout offers complete privacy, indoors and out. The heat pump is centrally positioned and will keep the open plan layout and bedrooms cosy warm on those colder nights.

An impressive shed will appeal to the handyman or business operator, for storing your boat, classic car or for your other important projects. With plenty of parking space the options here are endless.

This property is perfect for such a wide range of buyers, including professional couples, those with young families - home owning is within your reach, here. Those who are keen on a great shed, you won't find another like this in this
