This charming 1950's home retains character from its past but has also been brought into the 21st century with style. As you wander up the driveway to the front door of this home you can't help but wonder what is around the corner. The established gardens and mature trees create an intriguing atmosphere.

The house is very charming with a welcoming entrance that leads you through to the open plan kitchen, dining and living room with a seamless flow out to the west facing brick patio and the back deck. The master bedroom has its own summer deck, the other double bedroom is light and bright, plus two good sized single bedrooms.

A wet area houses separate bathroom, laundry and second
