A change in circumstance sees this gorgeous family home reluctantly offered to the market.

From the new designer kitchen, fitted with quality Bosch appliances, the thick luxurious underlay under the new carpet, to the expansive new drive and parking area. No expense has been spared lovingly renovating this home from top to bottom.

Upstairs there are two large bedrooms and a separate toilet, downstairs boasts the new kitchen, open plan dining and living and large covered outdoor living area off the lounge.

A fully fenced section provides security for the children or pets and there's plenty of off street parking with a single garage and carport, plus a garden shed for storage.
