

130 College Street Te Awamutu NZ

5 🛏 2 🚿 3 🚗

Wow are you looking for a fabulous four bedroom family home with a large 1126sqm (approx.) section, that is extremely private yet in the heart of Te Awamutu, in an often sought after street. Spend this summer enjoying the solar heated pool, let the kids run, play and explore the private bush like setting.

That is not all this property has to offer.... A one bedroom self-contained flat downstairs plus an extra rumpus room or second bedroom can provide extra accommodation for extended family or extra income potential.

If extra garaging is what you need then this property is for you! Extra large double internal access garage plus a separate single garage suitable for a boat or options for the car enthusiast.

My vendors are already on the move, my instructions are to
