

### 1634 Te Rahu Road Te Awamutu NZ

3  2  2 

So stylishly presented and elegantly executed in contemporary, permanent material construction you could be forgiven for thinking this superb brick single level is a brand new build.

Step inside and the illusion continues with graceful but understated decor and classy coverings adorning fully integrated kitchen and dining with a discreetly positioned separate lounge. Kick back and relax on the patio oriented to maximise daily sunshine and awesome rural outlooks. Depending on your space requirements you have the option to configure as four bedrooms or three plus office while the master benefits from ensuite and walk-in robe. Other great lifestyle enhancing features include ducted central heating, in-built sound system and double glazing with internal access double garaging.

**Type** : House
