This beautifully built and presented GJ Gardener Home will be popular with families of all ages and stages. Unassuming from the outside this spacious home has been designed and built to a quality standard.

The roomy open plan kitchen/dining/living area boasts a well-appointed modern kitchen with scullery, it oversees the dining area and relaxed living space. The vaulted ceiling creates a larger dramatic room and enhances natural light, especially when accompanied by the larger windows and stacker doors to the deck. The area feels more spacious and dramatic without interfering with the cozy and welcoming ambiance. The adjoining separate lounge offers an effortless interconnection giving you flexible communal spaces preferred in family homes. Four generous double bedrooms, plus two modern bathrooms including an
