

297 College Street Te Awamutu NZ

4 🚗 2 🚗 2 🚗

This impressive home showcases exemplary quality and luxury at every turn. An exterior of timeless weatherboard contrasts with vertical panels and floor to ceiling windows crafted to take full advantage of sun streamed warmth.

Designed by Cameron Driver (MAXIMARC) and built by Colin Downes, the home marks one of the highest points in Te Awamutu. The inviting entry leads into the stunning open-plan living and dining area which elegantly sets the tone for a luxurious yet relaxed lifestyle.

High gloss and clean lines of the integrated kitchen is a foodies delight, as well as being an ideal spot for family and friends to casually gather. Custom made cabinetry, carefully considered detailing, create a focal point that is also very practical to use.

Substantial proportions create excellent family spaces.
