An A+ location is just the start, this property exceeds expectations in almost every way.

Let's start in the outstanding designer kitchen and dining area. Induction cooktop, plumbed-in fridge, walk-in scullery and open plan design - all in the service of effortless living for the whole family and perfect for entertaining too.

Two separate lounge areas ensure those who want to watch and listen can be separate from those who want to talk and play. An internal sound system lets you send music and radio to three separate locations.

The four bedrooms and two bathrooms (ensuite in master) are elegant and sleek down to the very last detail. Vanities have been upgraded to new modern stone tops and the main bathroom features double basins. And an office nook hidden by an on-trend barn-door makes a functional
