Built for easy modern living, this brand new brick and weatherboard profile home is a splendid opportunity for investors, retirees or young families wanting a low-maintenance, stylish and well-designed property.

A spacious open plan living area forms the hub of the home with the light filled kitchen boasting all of today's modern conveniences, complemented by plenty of bench space and cabinetry.

The sunny living area flows out onto a covered patio - a perfect spot to enjoy your morning cuppa. Featuring three double bedrooms, the master includes a generous ensuite and a large, well-designed wardrobe. Other notable features include a functional floorplan, spacious family bathroom and a carpeted, double garage with internal access, which includes the laundry.
