Imagine spending time with your children feeding the boisterous wee lambs, collecting the eggs from the hens in the morning and baking a cake with those fresh eggs in the afternoon? Or having friends over to enjoy the peace, quiet and views over a wine or just soaking up the country sounds. This rural property of approximately 7821m² is located minutes from Te Awamutu, and is positioned just off the Hamilton main road for handy commuting. This well-presented home on two levels offers two downstairs bedrooms with a separate bathroom, and the main bedroom upstairs with ensuite and its own private deck. The property is well-fenced with water supplied to the four paddocks, it has an American style steel barn for projects or vehicle storage, and two carports for additional storage or drying the washing.
