### VIEWING BY APPOINTMENT

Welcome to a great family home with oodles of potential and the space to spread out and really live. Step inside and be greeted by an oasis of warmth and light with three generous bedrooms and an ensuite off the master. Your sun-catching open plan kitchen and living room flow seamlessly out to your semi-wraparound deck, making the whole space a great hub for family relaxation and entertaining friends.

Outside, the double sleep-out also makes for a perfect teenage bedroom, home office or man-cave. And the double garage gives you secure storage for cars, boats, bikes and tools or all of the above.

Back inside, your HRV and filtered water will help keep
