

3 Short Street Kihikihi NZ

7 🏠 3 🛏

Buyers with creative vision and a flair for interior design will be intrigued by the numerous options, opportunity and potential that exists in this new listing. A property of grand design and epic proportions, the 410m² (approx.) floorplan is set on two levels and is perfect for buyers wanting to realise the potential by continuing the transformation started by the current owners.

The property is a rare find in today's market and buyers will be captivated from the moment they walk through the front doors. The main living area is truly magnificent and is set under a spectacular cathedral style ceiling with eye-catching native timber beams. The interior of the home includes seven spacious bedrooms with the master featuring a lounge area, walk in robe, additional wardrobe with built in shelving and an ensuite. The current floorplan
