

16 Walmsley Street Kihikihi NZ

2  1  2 

Astute developers, local builders or those looking to land bank for the future, will be interested in the potential on offer with this new listing.

Situated on a quiet street, close to the Kihikihi shops and only a few minutes from Te Awamutu's CBD, this 4047m² (approx.) section is nicely contoured with services at the roadside.

Zoned for residential housing, the area has recently undergone a resurgence with a number of developments, featuring quality homes.

A small 1920s cottage (in poor condition) along with two double garages are currently situated on the property.

Sections of this size and desirability are rare, so contact Fiona to view and discuss your options.
