Designed for comfort and easy living, this low maintenance property was built in 2019 and ticks all the boxes for families intent on moving up the ladder or retirees looking to move in and unpack.

Situated close to town and local schools, the property is nestled amongst quality homes and features views towards Mt Pirongia. The open plan living area will definitely form the hub of the home and flows out through stacker doors onto an extra large (and partially covered) entertainment area - a perfect spot for barbecues and outdoor dining throughout the year.
