The light-filled open plan living area will undoubtedly become the hub of the home and features a Scandi-inspired kitchen which takes pride of place. Quality Bosch appliances, contemporary lighting, a stone-top island bench and a spacious walk in pantry are sure to impress. The living area opens out on two sides with a portico providing shelter when entertaining friends and family. The innovative design also includes statement barn doors to separate the lounge from the main living area, if required.

Tastefully decorated, the home boasts five bedrooms, with the master featuring a walk in robe and a luxurious ensuite with tiled twin-head shower. Other notable features include a beautiful family bathroom, an office, stylish laundry, separate toilet, walk in linen cupboard, fibre internet and
