3  1  1 

Situated in a popular street close to town and local schools, this new listing is certain to attract interest from first home buyers keen to jump onto the property ladder or DIY enthusiasts wanting to refurbish and add value to their investment.

Clean, tidy, and well-maintained, this solid stucco home features many character features of the 1950's. The functional floor plan includes three bedrooms, open plan living, a beautifully modernised bathroom with tiled, walk-in shower, original kitchen with classic stainless steel bench and a separate laundry. The living area flows out through wooden bi-fold doors onto a sunny terrace - a perfect spot to relax and enjoy refreshments.

The 'icing on the cake,' is the extra-large family living area (with 2 working fireplaces) which could be utilised as a
