

60 Mcgarry Lane Te Awamutu NZ

3 1 1

Set on an 817m2 (approx.) section, this new listing will definitely attract the attention of first home buyers, investors and families looking for spacious, practical and easy-care living.

Built in 1969, this weatherboard home with aluminium joinery is set on two levels and features a spacious and light-filled open plan kitchen and living area which flows out to a large entertainment courtyard with portico - a perfect spot to relax all year round. An additional family lounge is currently being utilised as a fourth bedroom and includes access to a sunny deck with views across town and out towards Mt Maungatautari.

The functional kitchen includes a walk-in pantry, double sink, 90cm freestanding Smeg oven with 6 burner gas hob and plenty of bench space and cabinetry. Other notable
