Nestled on a newly formed cul-de-sac, this recently renovated four bedroom home is ready to welcome its next family!

Featuring two spacious double bedrooms and two cozy singles, this home has been thoughtfully refreshed for comfort and style. The modern kitchen with polished timber floors, complete with a new oven, beautiful stone benchtops, and a practical island, is perfect for family gatherings and meal preparation.

A recently repainted interior and exterior offers a fresh, inviting look, while the separate laundry room adds convenience to your daily routine. The well-fenced section provides plenty of room for children and pets to play safely,
