

## 6 Carey Street Kihikihi NZ

2 1 1

This one's for the go-getters! Whether you're a seasoned property developer, a passionate renovator, or simply hunting for your next big project, this two bedroom, one bathroom home is full of promise. Sitting on a 1113m<sup>2</sup> (approx.) section that backs onto a reserve, it offers both privacy and room to grow.

Renovations have been started but not completed - giving you the perfect blank canvas to finish things your way. The bones are there, the location is strong, and the potential is undeniable.

As my vendors like to say, "If you squint, it's mint." There's charm beneath the surface and plenty of scope to make this property shine.
